

Role Title	Assistant Director – Strategic Asset Management & Compliance
Directorate	Place
Pay Scale	Assistant Director
Purpose	
To act as lead officer providing strategic policy direction and leadership, operational management, and financial control for strategic asset management, compliance and building safety across the Council's housing stock. To support the Cabinet, Chief Executive and Senior Leadership Team to achieve the aims and desired outcomes of the Council.	
Generic Accountabilities	End Results/Outcomes
Direct, develop and control the service. Responsible for all operational decision making and management of the service.	Activities within the service are directed and controlled to ensure the required outcomes and standards are delivered either directly; through commissioned or funded services; or via community empowerment.
Service strategy and policy formulation and implementation are aligned to the Council's overall corporate strategy and objectives. Actively contribute to the corporate management and strategic direction of the council as part of the Directorate Management Team.	Service strategy is developed, agreed, and implemented. Service priorities are established. Changing priorities and external requirements are anticipated and assessed. Innovative approaches and responses are developed and delivered.
Ensure the development and implementation of policy, systems, processes, performance criteria governance frameworks, and procedures within area of responsibility meet strategic / operational requirements, internal and external reporting requirements and ensure compliance with external legislation and regulations.	Policies and controls ensure that the area of responsibility is compliant with all relevant legislation, codes, regulations, guidelines, standards, and best practice. Governance frameworks have clear accountabilities and effectiveness is measurable. Compliance is monitored and ensured. Action is taken to resolve any issues identified.
Accountable for the strategic and operational planning and delivery of the service targets and objectives. Ensure the service's plan and performance (either directly or through commissioned / managed services) result in the implementation of agreed Council strategies, policies, and outcomes. Input to the strategic planning of the	Policy direction is translated into service outcomes. Service and business plans and targets are developed, communicated, cascaded, and monitored. Robust performance and quality management systems and procedures are in place and meet all requirements. Performance, quality, and contractual compliance are managed effectively.

wider organisation.	
Advise Senior Leadership Team and Members on issues relevant to the service. Provide challenge and advice to colleagues, managers, and partner organisations.	Act as lead professional adviser in area of responsibility. Strategic advice, critical challenge and moderation are provided in relation to all aspects of the service and wider council / partner activities as appropriate.
Develop and manage stakeholder relationships. Ensure the service has good relationships with Council Members, other service areas, customers, the public and the media.	Good working relationships with associated and affected interest groups / key stakeholders are established, promoted, fostered, and sustained. Customer comments and complaints are used to improve service performance. The Council is represented on local, regional and national forums.
Develop opportunities for partnership working both within and outside the council. Lead on relevant partnerships between the Council and other public, private, voluntary and community sector bodies.	Where appropriate, delivery of the service is achieved / supported through partnerships. Partnership working is led effectively. Best practice is identified, shared, and promoted.
Provide leadership and direction for the service, to ensure the delivery of timely and appropriate services to customers.	The service is led by a professional, motivated, and effective management team. Recruitment, induction development, performance review, employee relations and all HR processes and planning are completed to the required standards and timescales. Deficiencies and underperformance are actively resolved. Effective team meetings take place.
Identify, secure, deploy and manage the resources necessary for the service to meet/ exceed its objectives.	Appropriate organisation structures and processes are developed and implemented to meet changing organisational requirements. Resources are effectively and efficiently deployed to achieve service objectives.

Direct and control the financial expenditure and integrity of the service.	Budgets and financial risk are monitored and managed in compliance with organisational requirements. The service is delivered within agreed budget. Funding from external sources is identified and secured where appropriate. Value for money is maximised.
Direct and implement a comprehensive risk management programme for the service.	Operational, financial, regulatory and political risk are identified and managed in accordance with Local Government and national working practices.
Ensure that the capacity to respond positively to change is enhanced, "traditional thinking" is challenged, and innovative solutions are pursued throughout the area of responsibility.	Necessary changes to culture and practice are implemented and sustained. Conditions for others to perform and to innovate are created. Improvement of the service is focussed and driven to meet strategic objectives and improve service user outcomes.
Plan and direct / sponsor significant strategic programmes, projects, and initiatives, both within the service area and across the council / partnerships.	Major change /complex multi-disciplinary programmes are monitored, and directional control provided. Resources required to deliver the project / programme are secured. Projects / programmes have clear and assigned accountabilities and achieve their objectives.
Role Specific Accountabilities	
Responsible for statutory and regulatory compliance across Gas Servicing, Lift Maintenance, Fire Safety, Asbestos, Electrical Testing and Water Management and other associated risks to ensure building safety and keep tenants safe. Develop working partnerships with other Council services and relevant organisations/agencies so that strategies and policies are developed to attract the maximum commitment to their execution and the achievement of their goals and targets Corporate responsibilities.

Direct line management of a Senior Management Team.

Procedural Context

Reports to: Director of Housing Management & Assets

Lead and control a Council service. Accountable for operational and strategic implementation of decisions and direction for the service and for project / programme management for cross cutting corporate and partnership initiatives.

Accountable for the integration of a range of professional /operational areas which are critical to the success of the organisation and for performance and service delivery across the service.

Breadth of vision and strategic and innovative problem solving involves thinking within a general framework of strategic direction in situations where there are often aspects which are ambiguous, intangible or unstructured. A significant degree of evaluative judgement is required in relation to risks and issues, with the ability to identify the potential impact of a wide range of changing and potentially conflicting internal and external factors. Conclusions and decisions seize opportunities and mitigate risks.

Direction setting, planning and prioritisation is over a number of years to ensure the service achieves its strategic goals, reviewing and adjusting to take account of the risks and opportunities presented by a changing political and regulatory environment.
