Please make sure your bins are clearly visible, not blocking the pathway and placed at the edge of your property by 6:30am on these dates.

Some properties may experience up to a 3 week gap between recycling collections as we move from one collection service to the other. Please leave out any additional recycling you may have in a cardboard box for collection, no bags or sacks.

Excess waste

Over Christmas, we will take one additional, average sized sack/bag of general waste for every day your collection is delayed e.g. if your collection day is normally a Monday, and we collect your waste on Tuesday, you can put one additional bag out for collection.

Recycling Centre (RC)

Extra food waste, recycling and general waste, can be taken to the RC at Metcalf Way, Langley Green. For opening times and to book a slot, visit [westsussex.gov.uk](https://www.westsussex.gov.uk)

In the spring, your collection dates from April 2027 will be available at my.crawley.gov.uk or an updated calendar can be downloaded from crawley.gov.uk/collectiondays
